WEA Summit: All progressing well, sponsorship goal is met
WEA office move: Scheduled for June 30, 2023. Discussion of Board Members touring the new space on May 8th or 9th. New office will have space for 8 and a conference room.
HHub: Application for DOE grant submitted on April 7. Total of 8 projects proposed across the four states (Wyoming, Colorado, New Mexico and Utah).

Staff updates
Marcio: See Attached.

Patrick: See Attached.

**Old Business**

- Gaffney/Kline; Report may not be released until new Executive Director has an opportunity to review.
- MOU between WEA and EORI has been signed
- Funds for EORI Pipeline Program have been transferred to the appropriate account at the University of Wyoming for use by the EORI

**New Business**

Next Board Meeting to be scheduled for the morning of May 8th. The Interim director is to make arrangements.

Discussion of Transition and use of focus groups. There was general discussion of the potential use of focus groups involving Board members and staff to focus on particular areas. Potential areas included strategy/planning, legacy energy, frontier energy, Governors energy matching funds, communications, energy transmission/transportation.

There was general discussion of the need for retreat after the new executive director is on board to identify short and long-term goals.

**Public Comment:**

Monika Leininger informed the Board of The Nature Conservancy’s sponsored study on repurposing coal lands. The interim director was directed to share the link to the study with the board members.

No other public comment

9:24 am MOTION: MILLER/BURGET To convene in Executive Session to discuss contract issues. Approved by acclamation.

Back into public session

MOTION: STEGE/LAWRENCE TO ADJOURN. Passed by acclamation.

Meeting Adjourned:

Recording Secretary

Mark Stege
